PHILIPS

sense and simplicity

Highlights

Cool tip
The tip of the styler is made from special heat insulating material to keep it cool; you can safely hold it while you're styling for optimal ease of use.

On/off indication light
On/off indication light

Crimper
This attachement gives your hair a great funky texture.

Small curling tong
If you want to create tight curls or ringlets, you need to use a curling iron with a small diameter.

Heat resistant pouch

This Heat Resistant pouch is perfect for styling on the go. Forget waiting for your styler to cool down. Simply store using the heat resistant pouch included.

Slide-on brush
This attachement can be easily placed on tong to create additional volume and beautiful wavy styles.

Large curling tong
If you want to create beautiful curls or waves, you need this large curling attachement with a large sized diameter.

Slide-on spiral
Just follow the curves to create the most beautiful ringlets, it has never been so easy!

Hairclips

Use the hairclips to make sections, this will help you to style all your hairs easily.

Ceramic plates

Ceramic is microscopically smooth and durable by nature, and is therefor one of the best materials for straightening plates. The plates glide effortlesly through your hair, giving you perfect shiny hair.

Straightener attachment
The Ceramic plates glide effortlesly through your hair, giving you perfect straight and shiny hair.

13 piece heatstyler set

Every hairstyle you can imagine is possible with the versatile styling tools. Be creative!
